

# **THE BEST CHRISTMAS**

by: Aaron Speck

Last year was the most memorable Christmas moment. Also it was the best. We celebrated at my house.

On Christmas my brothers and I got lots of presents. My family got up at 3:00 a.m. My brothers and I always have to wait until 4:00 a.m. for my Mom and Dad to get up. Then we all opened our presents. Next, we went to my mom's sister's house. We open presents and the wrapping paper was all over the floor. Then we went home and ate. Ham, mash potatoes and corn were cooked by my Dad. Also we stay up until 4:00 a.m. playing with our Ipods.

Last year was the most memorable Christmas. It was fun, and exciting . I just can't wait until next Christmas. Also it was fun at my house.
