

" The Memorable Christmas of the Year"

A long time ago there was a family that lived in a place called "Sitting Wire" in Alabama. The family was so happy together. They joked around all the time and did so many things as a family. Justin and Mandy have two kids, Samantha and Dillon. Samantha is super nice and very independent. Samantha also likes to swim. Dillon on the other hand he likes to play video games.

After a few years they decided to move to New York City. So then they moved to the "Big Apple". One week past and the two parents have to find jobs. Mr. Webbing got a job at "Madeline Hotel" as a chef. When ever the kids wanted to go swimming they could because their dad gets a discount on any thing at the hotel. The other day the kids wanted to go into the pool, so they went. By the time they came out of the pool it was freezing cold outside and it was chilly when they got to the hotel. By the time they got outside of the hotel it was snowing. The kids were so happy and excited. The kids didn't see it snow in a long time and they wanted to have fun. The kids went outside and played in the snow. In the mean time the parents were in the kitchen making grilled cheese and tomato soup. The children came in to eat dinner. Dillon asked if they can go out again after dinner and his parents said we will think about it. It was time to go to bed. Mr. Webbing had to go to bed because he had to go to work in the morning. The next day the kids woke up and went with their mom to a party. Dad was cleaning the house for the Christmas party they were going to have. Their mom was very shocked and happy that she did not have to clean the house. Dillon was so happy that his dad did not mess with his video games. The parents thought about who they should invite to the Christmas party and how much food should they buy. A few days past and it was Christmas Day and Mr. Webbing asked if Mrs. Webbing could go and get the ham so he can cook it. The kids came downstairs into the living room and asked if they could open presents. The kids said that they got a lot of toys this year. They were so happy. Then their Dad gave their Mom a present in a small box. The kids were laughing. So when she opened it the dad asked her if she liked it and she said yes it is beautiful. She also thanked him.

So after Christmas they moved in a new house. The mom thought about what job she should go and apply for. A few months later Mrs. Webbing found a new job and got lots of money. They are a family and they go on trips all the time because they have lots of money. That was the most memorable Christmas year ever.
