**Comments:** Trustee Renaldo asked if the one way is 24/7? The Mayor explained that was the original intent. Trustee Houston requested to have the one way be on school days only. He also explained he is concerned about the concerts in the summer and how the traffic will not flow well with a one way, he says it is "overkill" to have the street be a one way all the time. Trustee Wilson thinks the Village could "train" the drivers to use it as a one way during the times needed. Mayor Whelan spoke to the school teachers and staff, bus drivers, and the church staff and volunteers, etc. Trustee Stonitsch asked if anyone spoke to the residents on High Street regarding this. No one has done so Chief Czora suggested he bring an officer to the area to train the drivers to go one way.
